Suminoe stand image

Suminoe Co., Ltd will exhibit at Domotex Asia/China Floor from March 20<sup>th</sup> to March 22<sup>nd</sup>, 2018.

Domotex Asia/China Floor is one of the largest trade fair in Asia with 150,000 m<sup>2</sup> exhibition space, 50,000+ visitors, and a history of 20 successful years.

This year Suminoe Co., Ltd will be showcasing new carpet tile collections and biophilic design concepts, stressing the importance of eco-friendliness in interior design.

### Articles showcased at the exhibition.

- “ECOS” iD Collection  
New series with biophilic concept design for multiple ambience arrangements.
- Plank tiles collection “SCENERY SOUND”  
Carpet tiles with simple but deep textures which suit any type of ambience. The combination of Econyl, recycled polyamide by Aquafil Spa, and ECOS, recycled PVC backing by Suminoe, creates an eco-friendly product with luxury design.
- High Tech Floor 2tec2 Carpet tiles  
2tec2 is vinyl carpet woven with Jacquard weaving technology and composed by PVC coated glass fibers and PVC backing.
