Suminoe Co., Ltd

## Carpet tiles with post-consumer recycled PVC backing ECOS iD4000 - 4100 - New color release

ECOS iD-4000 • 4100

Suminoe Co., Ltd is delighted to announce the launch of new 7 colors of ECOS iD4000 and ECOS iD4100 on July 3<sup>rd</sup>.

These colors will substitute the existing ones which will be discontinued. Thanks to the combination of two textures from ECOS iD4000 and ECOS iD4100, it will be possible to create rich and diverse design.

The technical features of these two series will remain the same, that is to say, 100% solution dyed nylon face yarn and ECOS backing. Its 66% of recycle content and 28% of CO<sub>2</sub> reduction makes this product an eco-friendly carpet tile.
