ECOS iD-8100 - kumade

Suminoe Co., Ltd is delighted to announce the launch of the new ECOS iD-8100 – kumade on April 17th, 2017.

ECOS iD-8100 - kumade, available in seven different colours, employs Econyl, 100% recycled nylon yarns, and ECOS, recycled PVC backing by Suminoe.

Thanks to this combination, this article reaches 84% of recycle content and 29% of CO<sub>2</sub> reduction during the manufacturing and transportation process, becoming the greenest product in the market.

### ■ ECOS iD-8100 - kumade

A bamboo rake creates sophisticated patterns, simple and soft to the touch.

With the sense of natural colors, the *kumade* collection brings calmness and coolness.
